I. Announcements

Welcome, no announcements.

II. Discussion

Review the Wellness Policy. A concern was raised about PE minutes for 7th & 8th Grade, but after reviewing the code it was determined that because we are a K-8 school that we are within the Education Code.

Discuss the Drink Vending Machine and Gatorades....it was decided that as soon as all Gatorades were sold that the machine would only be filled with water and approved drinks according the NSLP Smart Snacks guidelines for K-8 Schools. Mr. Johnson would talk to Mr. Sanchez to let him know. Mrs. Yamanishi would discuss with Mr. Sanchez what can be sold in the machine.

Small discussion on possibly starting a running club, no further action was taken.

III.

Nothing further was discussed further meetings will be planned as needed.
